ASSOCIATION OF ROTATIONAL MOLDERS INTERNATIONAL

CALL FOR PAPERS

2010 Annual Meeting
October 2 – 5, 2010
Hilton Montréal Bonaventure
Montréal, Quebec, Canada

The Forums and Programs Committee of the Association of Rotational Molders International is looking for presenters for the upcoming annual meeting.

The Annual Meeting provides a special opportunity to present, to a global audience, any new and/or ongoing developments, issues and concepts that affect the rotational molding industry.

Presentation Formats

Listed below are the different options in which you, your company, or organization can give a presentation.

A. Company Profile Presentation

Length: 10 minutes
Theme: Information about your company, its history and its future, as well as the products, materials or services you provide.

B. "What's New" Presentation

Length: 10 minutes
Theme: MUST focus on a specific NEW idea, concept, product, material, process and/or service, which contribute to the advancements of the rotomolding industry.

C. Technical Rotomolding Presentation

Length: TBD
Theme: Technical sessions should be of interest to a wide range of ARM International members and should address innovations in the industry, unique solutions to common problems, etc.

The Forums and Programs Committee will apply the following guidelines and procedures for the selection of each Company Profile and What's New presentation:

- All applications received will be forwarded directly to the Forums and Programs Committee.
- This Committee will review and vote on each application.
- Once chosen, speakers will receive further details, via e-mail or mail, regarding future deadlines and required presentation materials.
- If a proposal is not chosen, the submitter will be promptly notified.
- All presentations will be loaded onto a central computer (unless prior arrangements have been made) so that they may be distributed to the attendees at the meeting.

We hope you will consider participating. If you have any questions or concerns regarding this matter, please contact Adam Webb at 630-942-6589 or by email (adamw@rotomolding.org).
